**Teaching and Learning**

Please log in to your sQuid account for details about the Christmas plays which ALL pupils will be involved in— either KS1 or KS2. There is an attached flier for the CPG Christmas raffle that will take place during the plays also.

There are workshops for parents in F2, Y1, Y2, Y3 regarding the new reading book structure on Tuesday 3rd December at 8:45am and 2:50pm in the school hall. This is for anyone wanting further information to the letter sent yesterday.

Children should have PE kit in school at all times (including socks and pumps/trainers). For the colder weather, jogging bottoms and a tracksuit top are beneficial. These items are also useful in case your child needs a change of clothing at any point.

In order to understand what an election means, the whole school will take part in a vote for the best teacher 'Winter' themed outfit on Thursday 12th December. We invite all pupils to take part in this too for a £1 contribution which will support the two charities of Alzheimer's and Save the Children.

**Advice for winter illnesses**

Diarrhoea & Vomiting (norovirus) and flu like illnesses are common this time of year. One of the best ways to protect against illnesses such as norovirus is by practicing good hygiene. This includes thorough hand washing with soap and warm water after using the toilet and before eating or preparing foods. This message is conveyed on a daily basis within school but we would ask that parents also reinforce this message.

We do not have any cases within school so far but if you or your child develops symptoms of norovirus, please let school know. Thank you
